MUSGRAVE & MASON

CARUTHERSVILLE, MO.

OUR Hat Department is as much a specialized hat store as if it were the only business we had.

YOU like the real thoroughbred style in Clothes. You like to see a man dressed that way.

You like to be dressed that way yourself. We make a business in this store of knowing what people like. We take a pride in making them look good to themselves and to other people. There is only one way we can accomplish this, that is by selling you Musgrave & Mason clothes.

The new models for 1910, the new weaves, and colors in all-wool fabrics, the distinction in style which we get in these clothes can not be had in any other, nor can these goods be found in any store around here.

They are only logical clothes for well-dressed men; that is why we sell them. You will wear them sooner or later if you do not now.

YOU may consider yourself a judge of good clothes, but there are some things that an expert knows which you do not. The greatest experts in the world manufacture our clothes, and we put expert men at your disposal to give you information and advice.

You can not tell whether your clothes are all wool or whether the fabric is manipulated, but you can be sure they are all wool if you buy them here. You can not tell whether they have the tailoring that will make them shape-retaining, but you will know it to your satisfaction if you wear some of these Musgrave & Mason clothes; prices \$10 to \$25.

Get in early while the picking is good.

EVEN our would-be competitors realize our stock of low quarters in "Korrek" shoes is without an equal.
